Welding hood CA-83 ARES II

Heavy duty leather welding hood

Description

Multi-purpose leather welding hood with removable safety helmet and flip-up welding shield, provides head, eye, face, respiratory and optional hearing protection. If used with proper welding filter it protects from harmful radiation including visible light, ultra-violet (UV), infra-red (IR) radiation, hot sparks and spatters resulting from arc welding and cutting applications such as MIG, MAG, TIG, SMAW, Plasma Arc, Carbon Arc gouging. Compatible with continuous flow breathing aparatuses CleanAIR Pressure ARES.

Application

Suitable for the most demanding welding tasks and subsequent surface finishing operations, especially in tight spaces, or in case of an extreme exposure to welding spatter.
